

Clarington Industrial Directory

*Clarington Board of Trade
and Office of Economic Development*

THE CLARINGTON BOARD OF TRADE & OFFICE OF ECONOMIC DEVELOPMENT is the largest business organization with a focus on Economic and Community Development. Our programming includes support, resources and education for local business in addition to cost saving initiatives to help with the running of day to day business. We are contracted by the Municipality of Clarington to execute the role of Economic Development and Physician Recruitment.

We recognize the importance of the industrial sector as it plays an important role in maintaining and strengthening our economy as manufacturing makes the largest direct contribution of any economic sector.

If you are looking for better healthcare benefits for your employees or yourself, looking to cut the bottom line with discounted banking and gas prices, want to move, grow or expand your business, need help finding skilled labour or supply chain opportunities or even a family doctor, please feel free to contact us anytime.

Sheila Hall
Executive Director,
Economic Development Officer,
Clarington Board of Trade

CLARINGTON is blessed with open green spaces, agriculture, community spirit and a strong cross sector of businesses, from entrepreneurs that are following their dreams in service and retail, to large corporations and manufacturers. The Clarington Board of Trade & Office of Economic Development is committed to our business community, focused on creating a healthy, strong and vibrant place for all businesses to thrive in. It is our mandate to provide opportunities for growth through member to member venues like "Simply Social", business seminars like "Ask the Expert" and signature events like our annual AGM & Business Awards, golf tournament and the Mayor's Address.

To be a member of the Clarington Board of Trade, means you have the strength and expertise of 19 dedicated directors and staff, all committed to representing your business and the growth of Clarington.

Lawson Gay
President,
Clarington Board of Trade

The Clarington Industrial Directory provides information on over 80 Industrial Sector businesses located within the Municipality of Clarington. The types of businesses listed in this directory are primarily manufacturing, service, distribution and wholesale firms. This directory is primarily designed to assist businesses to source products, materials and services within Clarington.

The information has been obtained and updated by Clarington Board of Trade & Office of Economic Development. We have attempted to ensure the information is as accurate as possible. However, we cannot guarantee the accuracy or completeness of the information provided.

If your Company is new to Clarington , or if your industrial business is not yet listed in this Clarington Industrial Directory, please contact us with your company information, so we may add it to the directory for the next printing.
