About the Board of Trade

Mission Statement

The Clarington Board of Trade & Office of Economic Development advocates on behalf of and is the voice of the Clarington business community. The Clarington Board of Trade provides a forum for the business community to develop programs and opportunities to promote trade and commerce within the Municipality of Clarington.

Vision Statement

Develop the Clarington Business Community through leadership and opportunity.

Purpose Statement

To provide a collaborative platform for long-term economic development in Clarington for the benefit of all our stakeholders.

We embrace diversity and inclusivity.

Values & Principles

Authenticity

Personally, invested leadership guiding economic success for generations. We live our values to ensure they continue to define us.

Leadership

We build relationships to create an environment that will foster the sharing of ideas, enhance learning and business opportunities, and provide insight on how to improve our business community.

Collaboration

We are a connector bringing our stakeholders together for the benefit of the community.

Partnerships

Economic Development

Contracted by the Municipality to execute the Economic Development function, The Board of Trade has a leadership role in attracting and retaining business to this area and to cultivate partnerships for a healthy social fabric in Clarington. To do this, we work closely with various municipal departments, existing businesses and Realtors, property managers and developers who have land and/or space to promote.

Ontario Chamber of Commerce

Membership with the Ontario Chamber allows us to broaden our network of influence, from offering a larger range of valuable programming to representing us as a local business community at Queen's Park.

Connected to the Community

The Clarington Board of Trade is an active participant in many community initiatives and events, through great groups such as Lakeridge Health, Durham Workforce Authority, Community Living, Service Clubs, Clarington Library, Visual Arts Centre, Terry Fox Committee, Concerts in the Park local B.I.A. events and the list goes on...
